

HORUS RX

Our latest invention blends distinctive wrap-around geometry with patented RX-Swap™, a user-friendly and fully integrated performance clip system which allows to swiftly change your spare lenses to easily manage any weather condition. Perfect for multi-prescription or contact lenses wearers, the Horus combines superior eye protection and cutting-edge styling while offering unparalleled fit for uncompromised performance. Loaded with Rudy Project's core platform technologies such as 360° adjustable temples and equalized Grilamid® architecture, the HORUS™ incorporates our new Ergo3Max™, a revolutionary thermoplastic conjoined nosepiece which will ensure stunning comfort, superior safety protection and universal morpho-adjustability.
