

MERCURY

New player for 2005/06! Flowing lines that trace a modern mask with sinuous curves in dimensions and a design suited to the particular features of the female face. A soft layer of foam prevents irritation, the double interchangeable lens is available in 4 different colors, with air vents at the top to prevent fogging, adjustable elastic strap.

Un nuovo modello Rudy Project per le vostre performance: linee morbide che disegnano un frontale moderno dalle curve sinuose, dimensioni e design adatti anche alle peculiari caratteristiche dei volti femminili. Morbido strato di foam antirritazioni, doppia lente intercambiabile disponibile in 4 colori differenti, con fori di areazione frontali per evitare il fastidioso fenomeno dell'appannamento, fascia elastica regolabile.
