

RB3 baseball

The RB3™ was designed to meet the diverse needs of today's active athletes. Packed full of features and options including 360° adjustable temples, adjustable Ergonose, optional RX insert, optional elastic strap and core flip up technology, the RB3™ is a true standout in the Rudy Project line. Using ergonomic geometric design and advanced lightweight materials, the RB3™ is not only stylish but also very functional and comfortable to wear. The central feature of the RB3™, the flip-up, is a simple and extremely versatile mechanism that can be raised and lowered with a single motion.

Weight Ounces: 1.24 Grams: 34
Eye Size DBL Temple 77/14/125

FLIP-UP TECHNOLOGY

The mechanism is equipped with Quick Change™ Interchangeable Lens technology allowing players and athletes to manage any light condition. The optional Rx insert can support a wide variety of prescriptions and gives eyeglass wearers a new solution to the age-old problem of bulky Rx eyewear.

Adjustable Alpacca temple with end in Megol® for a perfect fit everytime.

T-Lock™. Special temple retention system.

Unique Grilamid™ TR 55 LX frame construction provides structural integrity and stability.

RP-D-CENTERED™. RP Optics™ lenses provides maximum UV protection and optical clarity.

Optical-quality Polycarbonate UV 400 Protection lenses.

Quick Change™ Interchangeable lenses system to manage any light condition with ease.

ERGONOSE™. Fully adjustable Copper-Beryllium nose-piece with dual Megol® replaceable pads. New age technology for an absolute fit.

KEROSENE

Engineered from raw applied science and technology, the KEROSENE™ offers total adjustability and control over all parameters of the sunglass. In addition lenses are interchangeable. We believe the Kerosene™ to be the most advanced sunglass on the market for athletes.

Weight Ounces: 1.25 Grams: 36
Eye Size DBL Temple 75/18/125

Adjustable Alpacca temple for a perfect custom fit.
