

# RUDY GIRL

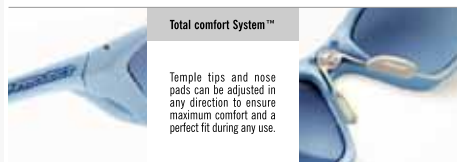

Our RUDYGIRL line is super hot and features the Rydon Girl™, Ekynox SX™ Girl, Kalyos Girl™ and Apache SX™ Girl – our top of the line eyewear for women. The line is new, fast and comes in cool colors along with our new bichromic lenses, white nose pads and temple tips for a refreshingly unique look. The Rydon Girl™, Ekynox SX™ Girl, Kalyos Girl™ and Apache SX™ Girl have adjustable nose pads that can be adjusted so that eyelashes don't hit the lens and all the models have adjustable temple tips that don't get caught in your hair and help keep the glasses snug perfectly. The RudyGirl line all have interchangeable lenses and the line boasts two hip lenses – pink laser deg and bi-chromic blue sure to turn heads at the coffee shop, on the trail or at après-ski.
